The European Banking Authority (EBA) guidelines on outsourcing and third party risk management apply now and are being implemented across the EU/EEA.

KY3P has developed a turn-key solution that allows you to quickly establish a register of outsourced engagement and conduct relevant due diligence and oversight.

1. **National regulators require Financial Institutions to have sound governance**

   KY3P provides an end-to-end solution:
   - onboarding of third parties
   - record third party service details
   - store evidence/documents
   - identify and conduct due diligence
   - calculate inherent risk
   - determine and conduct risk based oversight
   - terminate engagements
2. Financial Institutions are also required to provide documentation for outsourced and cloud service providers.

KY3P records all details, oversight, and documents in an auditable platform and provides a register of your all critical and important functions.

3. EBA guidelines are live and apply to all financial institutions within the mandate.

KY3P provides a rapid and structured onboarding that will have you up and running within 2 weeks.
