

# Onboarding Accelerator for Securities Finance

Enhance the onboarding process with an automated and customizable end-to-end onboarding solution for the securities financing industry to achieve mutual approval between lenders and borrowers.

## Designed to revolutionize

Integrating S&P Global Market Intelligence's Onboarding Accelerator tool into Market Intelligence's Securities Finance platform ensures a standardized and transparent process for managing documentation and communication, understanding credit scores and reviewing inventory analytics.

## Introducing Onboarding Accelerator for Securities Finance

With Onboarding Accelerator you can:

- Transform the onboarding process with automation, digitization, analytics, and data extraction
- Improve transparency and streamline communication across counterparties with real time updates into accounts and markets opening status
- Replace legacy processes with an automated end-to-end workflow centralizing the capture of data and documentation
- Realize efficiency gains over manual processes to accelerate time to achieve onboarding approvals
- Enhance client experience by reducing delays and administrative burdens
- Remove human error through automation of data capture across the onboarding process

## Designed by global custodians and their clients

### KEY BENEFITS

**Standardize and automate**  
to accelerate time to lending

**Minimize**  
operational risk

**Provide transparency** and
