# KY3P<sup>®</sup> for Energy & Utilities

Energy and Utilities firms are under increasing pressure to demonstrate awareness and control of their suppliers. The due diligence requirements to onboard new suppliers are increasing as well as the expected degree of oversite and monitoring of active suppliers.

S&P Global KY3P<sup>®</sup> (Know Your Third Party) offers a turn-key solution that allows you to quickly establish a risk-based Third Party Risk Management (TPRM) program and conduct relevant due diligence and oversight while reducing the business impact and costs.

## 1. US regulators require Energy and Utilities firms to employ and maintain sound governance arrangements

#### KY3P provides an end-to-end solution:

- onboarding of third parties
- identify and
- determine and conduct

- record third party service details
- store evidence/documents
- conduct due diligenc
- calculate inherent risk
- risk based oversight

- - terminate engagements
