

# BD Advanced

**Global prospecting and targeting solution incorporating our comprehensive buyside institution and contact database**

Our web-based research, sales, and trading prospecting and targeting tool incorporates potentially the most robust cross-asset class global contact and ownership database in the industry. Data is maintained and continuously updated by a team of 300+ research professionals.

Our contact profiles cover equity, fixed income, derivatives, and corporate issuer data. BDA provides a detailed view of your prospects and clients, their investment focuses, asset allocation, and cross-asset class holdings, allowing users to access a combined view of total portfolio composition including fixed income and equity ownership.

**Benefits of using BD Advanced include:**

- Accurate and detailed global institutional contact data and investor profiles
- Timely cross-asset class ownership data
- Advanced investor screening and detailed portfolio intelligence
- Customized daily alerts on people moves and ownership updates
- Knowledgeable 24/7 support by our dedicated and experienced client
