

## Corporate Issuer Contact Database

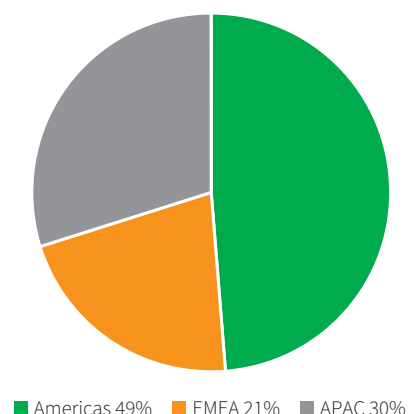

**Coverage of executive and key roles at global issuers worldwide to facilitate effective communication and relationship management**

Our index-based approach to collection helps ensure coverage of the largest and most actively traded companies around the world. Robust profiles include details on those in Investors Relations, Treasury, Legal, and C-suite roles.

### Key data features

- Up-to-date emails, phone numbers, and addresses
- Search by specific functional roles including: Investor Relations, CEO, CFO, General Counsel, Treasurer, and other key executives
- Our dataset covers member companies from 44 key global indices including the Russell 3000, TSX Companies, and the Bovespa Index. Companies range in size from micro-cap to mega-cap, in all sectors, and on all continents.
