## Introducing Onboarding Accelerator for Securities Finance

With Onboarding Accelerator you can:

- Transform the onboarding process with automation, digitization, analytics, and data extraction
- Improve transparency and streamline communication across counterparties with real time updates into accounts and markets opening status
- Replace legacy processes with an automated end-to-end workflow centralizing the capture of data and documentation
- Realize efficiency gains over manual processes to accelerate time to achieve onboarding approvals
- Enhance client experience by reducing delays and administrative burdens
- Remove human error through automation of data capture across the onboarding process

Designed by Global Custodians and Their Clients
