

## Ipreo Parity

**Efficient and secure process to prepare, submit, and receive competitive bids on municipal issues**

Combining industry-standard bid calculation through BiDCOMPTM with bid submission and bid receipt, Ipreo Parity offers efficiency and security for underwriters, issuers, and all those involved in the municipal issue process.

Ipreo Parity and BiDCOMP offer a number of benefits to users—including underwriters who submit bids and issuers who receive bids:

- **View bids** submitted by dealers through BiDCOMP
- **Facilitate simultaneous viewing of bids** by multiple viewers (financial advisors, issuers, bond counsel)
- **Export bids** received through Parity to Excel for verification
- **Allow issuers to accept bids** via multiple methods (fax, phone, electronically, etc.)
- **Check bids for violations** against the parameters supplied on the Notice of Sale
- **Announce the apparent “winning” bid** via industry news services
- **Free-of-charge** for issuers, financial advisors, and bond counsels
- **Unparalleled client support**
