Partner & Sponsorship Prospectus

Chemical Industry Financial and Sustainability Forum & Awards

Welcome to the **Chemical Industry Financial and Sustainability Forum & Awards 2020**, celebrating best-in-class sustainability initiatives, throughout the global industry.

Being shortlisted and winning a much-coveted award is a stamp of approval for creativity and innovation within companies ranging from startups to conglomerates.

The **Chemical Industry Financial and Sustainability Forum & Awards 2020** is a fantastic opportunity for you to partner with us as a sponsor, ensuring your organization's brand is part of this global platform showcasing industry achievements.

Our sponsorship packages are designed to complement your existing marketing plans and elevate your profile above those of your competitors, allowing you to generate six months of international publicity and gain direct access to top decision makers within your industry community.

An online event

Industries across the globe, including the chemical industry, are developing creative ways to deal with the challenges caused by the Covid-19 pandemic. They are seeking to maintain business as usual, ensuring that any supply chain disruptions may be minimal, while also working with an eye on the future through research on innovative and sustainable products.

In this scenario, it becomes imperative for Chemical Week to recognize excellence in the industry in the form of the **Chemical Industry Financial and Sustainability Forum & Awards**. While travel restrictions and social distancing prevent us from organizing a gala event, there is nothing stopping us from recreating the celebratory feel online.

Generate six months of targeted high-profile publicity

June 2020 The **Chemical Industry Financial and Sustainability Forum & Awards 2020** are open for entry. Submissions are welcomed worldwide from a diverse range of companies. Organizations start to prepare their entries that explain why they are best-in-class for their chosen category.

August 2020 The Awards are closed for entries. All entries to be reviewed by the judges have been received by the Agrow team.

August 2020 The judges review entries, assessing whether the materials provided by each organization demonstrate the requirements of the category by drawing on their own expertise. Scores and comments are then debated and agreed upon for every entry.

September 2020 Finalists are announced for each Awards category by Chemical Week, creating a buzz in the chemical industry, as organizations shortlisted invite their network to share in their success. Excitement builds for the **Chemical Industry Financial and Sustainability Forum & Awards** and sponsors can enjoy additional PR activity in the run up to the event.

October 2020 The **Chemical Industry Financial and Sustainability Forum & Awards 2020**, attended by market leaders from large to small organizations who are driving innovation to share the success of their industry's achievements.

November 2020 The official publication rounding up the activities of the **Chemical Industry Financial and Sustainability Forum & Awards** is released; a permanent record of the occasion and invaluable promotional material for shortlisted companies, winners and sponsors.
