

## AEOI Update

1 February 2021

### Cayman Islands

#### **Extension of 2019 CRS Compliance Form Deadline**

In an industry advisory document on 22 Jan 2021, Cayman Islands' Department for International Tax Cooperation (DITC) announced an extension of the reporting deadline for the 2019 CRS Compliance Form to **15 September 2021**. The deadlines for the 2019 CRS Compliance Form and the 2020 CRS Compliance Form are now the same.

The deadline extension is so as to allow users the option of bulk upload of forms in CSV file format. This option will be made available in due course. Until then, users can still submit the 2019 CRS Compliance Form on the DITC Portal.
