CRS: Updated DITC Portal User Guide

Cayman Islands' Department for International Tax Cooperation (DITC) recently updated the DITC Portal User Guide to provide instructions on bulk upload of CRS Compliance Forms in CSV format and correcting any validation error identified subsequent to the upload. Each upload allows up to 2,000 Financial Institutions to be included, hence for users undertaking the reporting obligations of a large number of FIs, this presents a quicker alternative to the other option of completing smart forms on the portal.

The updated DITC Portal User Guide can be found [here](#). As a reminder, the reporting deadline for the 2019 and 2020 CRS Compliance Forms is **15 September 2021**.
